SECTION IV. OPEN-ENDED QUESTION

Statewide surveys indicate the top issue on the minds of voters in North Carolina is the economy and jobs. With that in mind, please explain your vision for economic growth and job creation.

Lower taxes and the jobs will follow. It was called "Reaganomics" & it worked. We over regulate and overtax all small business and all corporations in the State of N.C.

We also need to tighten the belt of State government by adopting zero base budgeting.
