SECTION IV. OPEN-ENDED QUESTION

Please describe your judicial philosophy.

My judicial philosophy is simple and straight forward.
Since 2004, it has been included on my website:
North Carolina's constitution contains a mandatory
separation of powers clause. I believe that it is the
duty of the judicial branch to judge fairly and
impartially, and within the limitations provided
by the constitution and laws of the state.
Judges should judge, not legislate.
