**SECTION IV. OPEN-ENDED QUESTIONS**

1. A primary focus of the U.S. Congress this past year has been to reform health care and health insurance in the United States. Please briefly explain your recommendations for reform and the roles of the government and private sector in your proposal.

The current system has worked well for those who have taken the responsibility to provide for work & family. We need to reform; but, I want a system to "augment" not "overhaul".

eg. 1. TORT REFORM A MUST

2. ESTABLISH A 'MEDICAL COUNCIL' TO OVERSEE LAWSUITS

3. COMPETITION IS GOOD AMONG INSURANCE COMPANIES & HEALTH PROVIDERS -

4. INDIVIDUALS OR FAMILIES CAN CHOOSE COVERAGES

5. PHYSICIANS TAX INCENTIVES.

6. SMALL & MEDIUM BUSINESS RECEIVE INCENTIVES.

7. WE MUST HAVE THE FREEDOM TO CHOOSE. THE GOVERNMENT'S PART SHOULD BE TO 'HAVE OUR BACKS' AND PROTECT THE CONSUMER AND THE FREEDOM CHOSEN, FROM ABUSE. THE GOVERNMENT IS "NOT" TO MAKE DECISIONS FOR US. THE CONSTITUTION PROVIDES THE RIGHTS TO LIFE, LIBERTY, & PURSUIT OF HAPPINESS. HOW WE PROCEED AND LIVE AND PROSPER IS UP TO THE AMERICAN INDIVIDUAL UNDER THAT UMBRELLA OF DEMOCRACY "NO" TO THIS CURRENT HEALTH BILL.

2. Statewide surveys indicate the top issue on the minds of voters in North Carolina is the economy and jobs. With that in mind, please explain your vision for economic growth and job creation.

Tax Breaks have been given to Corporations  
and we have been disappointed.

LET'S TRY giving these Tax Breaks to Median + Small  
Business and see what they can do with that kind of  
Money. The TAX BREAKS and Incentives proposed  
by this latest Job/Stimulus bill provide lower  
Capital Gains Taxes, incentives in payroll tax and  
hiring. All good, <sup>but</sup> these gains to help growth  
will be useless and eaten up, if this Health Care bill  
passes as is, because of penalties enforced upon  
Small Business if not providing Health Insurance for  
their Employees. Plus, Insurance Companies will raise  
premiums, thus making everything counter-productive  
for Small + Median Business.

Remember this... if we "stimulate" Business with Tax  
Breaks + incentives, they will be able to better "function"  
with more Capital, more Stock and Employment. They're a "store"  
ready to "open." But where's the "Buyer." The Savings,  
incentives, Tax Breaks and benefits from them, "MUST" be  
passed unto the Buyer/Family, in order to re-build  
confidence. Savings must be kept constant for a  
lengthy period of time. Once people have a renewed faith in

Candidate Signature:  
(signature required)

Date: 3/11/10

our System, they will keep buying + we will grow  
again. We must "stimulate" the Buyer as well.
