SECTION IV. OPEN-ENDED QUESTIONS

1. A primary focus of the U.S. Congress this past year has been to reform health care and health insurance in the United States. Please briefly explain your recommendations for reform and the roles of the government and private sector in your proposal.

Government role should be oversight
and price regulatory. Tax payers should have
choice to purchase insurance across state
lines and private insurance companies
should be mandated to accept the payment
agreed upon after a copayment and not
bill the consumer above agreed payment.
No non citizen or illegal alien
should be allowed any government funding
in any manner.

2. Statewide surveys indicate the top issue on the minds of voters in North Carolina is the economy and jobs. With that in mind, please explain your vision for economic growth and job creation.

To comprise a staff who's number one priority is to address and converse with never ending vigor to industries our strengths and why it is in there interest to locate in our district.

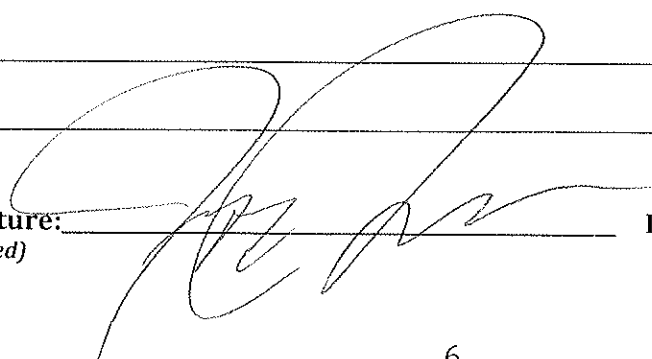

We have the loyal labor, roads, water and real estate that would fit any industry or company.

We as a Nation need to look at our foreign trade and jobs (especially China) and how we can again gain our industrial strength.

We need to work with small business as well as large to draw new industry as well as making sure what is here stays here.

The people have been wronged so long by Washington Politicians
