SECTION IV. OPEN-ENDED QUESTIONS

1. A primary focus of the U.S. Congress this past year has been to reform health care and health insurance in the United States. Please briefly explain your recommendations for reform and the roles of the government and private sector in your proposal.

PAST YEAR HAS DONE NOTHING FOR HEALTH CARE OF CITIZENS. We have good health care, but need to get ambulance and doctor-chasers out of medicine. ELIMINATE MALPRACTICE LITIGATION WITH AN ASSIGNED RISK POOL ASSESSMENT. 2% of doctor billing has been suggested, and move all doctor + hospital error punishment to STATE MEDICAL BOARD PROCESS.

MOST CITIZENS WANT ADEQUATE COVERAGE FOR THE MEDICAL THINGS THEY NEED, AT REASONABLE COST TO THEMSELVES OR AN EMPLOYER.

AS BABYBOOMER LIKE MYSELF PASS AGE 65, WE BECOME HYPERSENSITIVE TO ATTACKS ON ~~AN~~ OUR FUTURE AND THE FUTURE OF OUR GRANDCHILDREN.

2. Statewide surveys indicate the top issue on the minds of voters in North Carolina is the economy and jobs. With that in mind, please explain your vision for economic growth and job creation.

Economic growth can only be achieved by ① drastic reduction in taxes (business + personal), ② reduced government regulation of everything, ③ convincing business ~~and~~ AND citizens that our liberties trump federal ~~and~~ bureaucracies ④ eliminating foreign aid, which wastes our GDP and causes government to borrow from other countries, like China

Federal Government must demonstrate fiscal responsibility in 2011 and convince working Americans that they can keep their ~~saving~~ earnings. With more money in their pockets, citizens can spend on consumer goods and things like homes and cars, or even college tuition for their kids.

~~Public~~ ^{Private} spending by citizens drives our economy. Public largess by Government is simply robbing all the people to throw money to political chums.
